

How to Make a Lined Tote Bag by **Sewgirl**

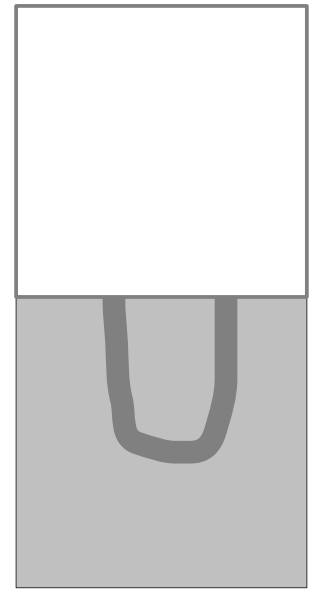

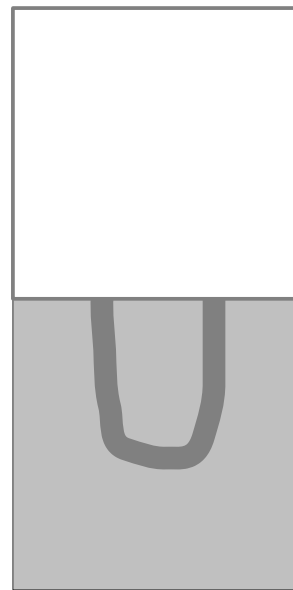

1. Cut out 2 bag fronts, 2 bag linings and 2 long handle pieces.

2. Make bag handles by folding over long edges then fold in half, press. Attach bag handles at centre front of each bag front.

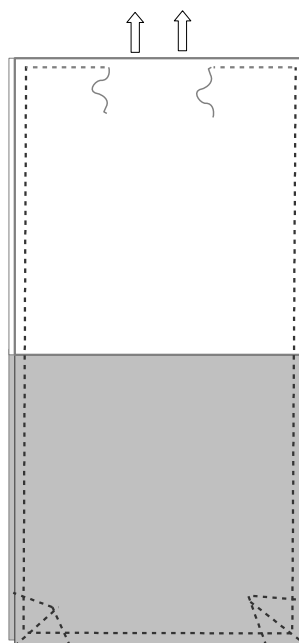

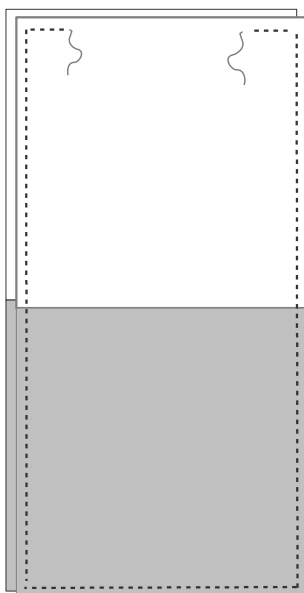

3. Sew bag to lining piece with right sides facing 1/2" from edge. Repeat for other side

4. Press bag pieces open at seam

5. Place one piece on top of other with right sides facing, then stitch all around 1/2" from edge leave an opening at bottom of lining.

6. Squash corner diagonally, sew across corner to make base. Turn bag inside out through hole in lining.

7. Sew up opening in lining, press, then show off to all your friends!
